UNLINED JACKET WORKSHOP

Unlined jackets are in fashion today and can be worn many ways by most everyone. A workshop to construct the jacket will be held Saturday, April 20, at 9:00 a.m. We plan to finish the jacket that day. The workshop will be held in the Community Room of the Farm Center in New Britain.

You will need to pre-register. Call 894-5596 for a registration form. Class is limited to 10 people.

SLIP-LINED SKIRT

This summer look crisp and feel cool and comfortable in a slip-lined skirt. It will not only look smooth and retain its shape better, but, in hot and humid weather, a slip lining often eliminates the need to wear a slip. The key to comfort is fabric choice for the lining. I have just finished a skirt with silk crepe de

chine which worked nicely. However, polyester sheath satin works good. I did find that the crepe-back satin lining was a bit heavy.

Select the lining fabric in a color and weight that is compatible with the skirt's design and fabric. You might want to select the new fabric out now which has an anti-static quality. This is a 100% polyester fabric. If you would like instructions on lining a skirt, call me at the above number.

THAWING FOODS

If you thaw food at room temperature, it runs the risk of food spoilage. Thaw food in the refrigerator. There's less chance of food spoilage and less seepage from the food.

Sophomore Nursing Class At MacArthur

Hold Tea For Freshmen

Even before graduation and employment, the licensed practical nursing students at Douglas MacArthur State Technical College provide encouragement and help to others by serving as hostesses during the beginning nursing students. The sophomore class members recently welcomed their little sisters by serving as hostesses during the freshmen tea, which is held at the beginning of each quarter to welcome new students. Sophomore big sisters are, seated from left, Charlotte Bullard, Opp; Mila Flowers, Highland Home; Donna Stewart, Crestview; Becky Steele, Florida; Jeanette Anderson, Opp; and Sharon Payne, Enterprise. Standing, from left, are Patricia Woodham, Florida; Melody Dreading, Crestview; Barbara Bunkett, Opp; Faye Grantham, New Hope Community; Glenene Kilpatrick, Paxton; June Biddle, Samson; Betty Morris, Elba; Sharon Gracia, DeFuniak Springs; Jean Hudson, Opp; Angela Andrews, Enterprise; and Patricia Morris, Elba. Persons interested in enrolling summer quarter in the Licensed Practical Nursing Program may take the preadmission test on April 17 or May 15.

DUNY A. PRESLEY

TIPS FOR APRIL GARDENING

You can plant snap beans, pole beans, lima beans, pole lima beans, cucumbers, eggplants, squash, tomatoes and watermelons.

Prune spring flowering shrubs after they flower. Fertilize azaleas and camellias after flowering and keep leaf galls pulled off.

Continue planting new lawns and water if needed. Fertilize at three to six week intervals. Keep ryegrass which was seeded on Bermuda grass cut low.

Watch for insects and diseases on roses. Keep old flower heads removed.

SOYBEAN OUTLOOK

Dr. John Henderson, Auburn University soybean specialist, had this to say about the soybean outlook for this year: "We will have about a million less soybean acres this year than we had in 1979. It's a little disturbing to have such a drastic drop in acreage, but not totally unexpected. We had too many acres on marginal soil, too many growers over-expanded, and too many in continuous soybeans. Dropping back to a more manageable level and developing good rotation systems will improve yields and profits. Economists still give us little hope for significant price increases this year, but soybeans are extremely responsive to world conditions and things could change quickly.

There is little hope that prices will rise very high, but at least there is always hope. Growers should realize that, when there is a jump, prices will probably not stay up long so they need to watch the market closely.

Henderson concluded, "The opportunity for profits in 1985 appears to be in the area of increased yields rather than increased profits. This means growers must put soybeans on productive soil, rotate with some other crop, and use a complete program of all production practices."

MARKETING

Len Averett of Route 2, Enterprise, is trying to do something about the marketing of his beef and hogs. He concentrates on growing meat-type hogs which he has in a total confinement operation. Averett buys 400-pound beef calves, grazes them for several months, and then grain feeds them for 120 days before sending them to market.

Dan Presley and I were talking about his plans for marketing beef and hogs, and we hope that he is successful. Averett will have an opportunity to try to increase his profits by offering the pork and beef to individual consumers.

GREENHOUSE POTATOES

Cal Turner, who lives in the Jack Community, is the most successful greenhouse potato producer that I have ever seen. Generally, people who go into the greenhouse tomato business last only a year or so, but Turner has survived for six years. In fact, he has recently added a new house.

Turner and his wife are producing several hundred pounds of high-quality tomatoes each week. He told me that he has some per-

Nicholson Wins First In Alabama

Corn Yield Contest

Claude R. Nicholson, Elba, has been awarded first place for Alabama in the 1984 National Corn Growers Association (NCGA) Corn Yield Contest. Nicholson captured the honors with his contest yield entry of 187.91 bushels per acre. Nicholson's award winning corn hybrid for the Irrigated Division of the contest was PX 9581 from Northrup King Co.

The winning crop was planted April 6 last year and harvested in August. Nicholson along with other national and state winners from across the country will be honored at the NCGA's annual convention to be held in Cedar Rapids, Iowa, July 28-31, 1985. Northrup King Co., will also honor Nicholson for his success

Bradshaw Farms Wins Second In Alabama

Corn Yield

Bradshaw Farms, Elba, has been awarded second place for Alabama in the 1984 National Corn Growers Association (NCGA) Corn Yield

Contest. Bradshaw Farms captured the honors with his contest yield entry of 175.82 bushels per acre.

Bradshaw Farm's award winning corn hybrid for the Irrigated Division of the contest was PX 95 from Northrup King Co.

According to Larry Bradshaw, PX 95 has averaged 150 bushels per acre over 4 years on his farm. Bradshaw Farms along with other national and state winners from across the country will be honored at the NCGA's annual convention to be held in Cedar Rapids, Iowa, July 28-31, 1985. Northrup King Co. will also honor Bradshaw Farms for their success in the 1984 contest.

The NCGA Corn Yield Contest is open to all corn growers throughout the U.S. who enter a minimum of 10 acres of corn, keep an accurate record of cropping procedures, and follow the harvest report rules set forth by the NCGA.

Anyone in the continental U.S. may enter the Irrigated and Non-Irrigated Divisions. The Class AA Non-Irrigated Division is comprised of the following nine states: Illinois, Indiana, Iowa, Kentucky, Minnesota, Missouri, North Carolina, Ohio, and Wisconsin. The Class A Non-Irrigated Division is comprised of the remaining 39 continental states.

Federal Grand Jury Returns Local Indictments

Cecil Patterson Faces 20 Year Sentence In Connection With 1984 Kinston Marijuana Bust

William Cecil Patterson, a former agriculture teacher at Kinston High School, has been indicted by a Federal Grand Jury on a variety of drug charges.

The four-count indictment, released Monday, charges that Patterson, age 44, of Rt. 2, Kinston, conspired to manufacture and possess with intent to distribute approximately 470 marijuana plants.

The plants had an estimated value of \$750,000.

The marijuana plants were seized by the Coffee County Sheriff's Dept., on September 28, 1984, from a field located behind Patterson's home. The plants averaged 15-20 feet in height, while a number of planted exceeded 30 feet in height and were taller than trees in the area. The

plants were chopped down with axes due to the thickness of the stalk.

If convicted, Patterson could be sentenced to a maximum of 20 years in prison and fined up to \$60,000.

Arraignment will be on Wednesday, April 17 at United States District Court, in Montgomery, with a tentative trial date set for June 10, in Dothan.

Dean Kyle Charged With Six Counts Involving Smuggling Cocaine Into States From Bahamas

A former Elba resident was indicted last week by a Federal Grand Jury on charges stemming from the alleged smuggling of 4.2 pounds of cocaine.

Indicted was Carol Dean Kyle, age 44, the former owner of an Elba flying service, on two counts of conspiracy to possess cocaine, two counts of conspiracy to import cocaine and two counts of possession of cocaine.

Kyle, now living in Dothan, could face a maximum of 60 years in prison and a fine of \$150,000 if convicted.

The indictment alleges that Kyle brought in two shipments of cocaine from the Bahamas. It contends that 2.2 pounds were brought in between May, 1983 and Sept. 1983, and a second shipment of 2 pounds of cocaine between November 1983 and January 1984.

United States Attorney John Bell stated the indictment was related to a two-year federal sting operation that has already resulted in 11 convictions on federal drug charges. Arraignment is set for Wednesday, April 17 at United States District Court, in Montgomery, with a tentative trial date set for June 10, in Montgomery.

Commission Continues To Seek Aid To Repair Road Damage

The Coffee County Commission met in regular session on Monday, April 8, at the courthouse in Enterprise and finalized plans to apply for \$300,000 in state funds to be used to repair road damage in the county caused by heavy rains.

Bob Watts, of the Regional Planning Office, explained the terms of the grant, which will require the county to provide engineering work as well as \$33,000 in funds. The funds will be sufficient to cover work at nine sites in the county, but will fall far short of the \$1.6 million needed to do all the repairs across the county.

The commission passed a resolution seeking the funds and also authorized Probate Judge Marion Brunson to work with the planning commission on the project.

Representatives of the Soil and Water Conservation Service were at the meeting and gave an update on the progress of projects in Coffee County.

The Victoria Gulley Project was reported to be nearing completion, as workers finish planting vegetation on the banks. A formal inspection will take place on Thursday, April 18, at 10:00 a.m.

Work on the Harold Godwin Road was said to be nearing a starting date, with all paperwork due to be finished prior to October 1. The county must pave a portion of the road to meet requirements and pledged to do so, as planned.

A lettered from the State Highway Dept. asked all counties to assist in informing residents of restrictions on the placement of mailboxes.

In the letter, the state reported that all permanent type mailboxes (brick columns, etc.) should be relocated to at least 10 feet beyond the edge of pavement. These structures were said to be a great liability to the county, state or federal agency that maintains the road, as well as the owner of the mailbox. The letter further stated that if the structures are found to be on the right-of-way on federally

funded projects, the project would not be accepted.

Existing mailboxes within the right-of-way should be mounted on supports that will yield or collapse upon impact.

In other action at Monday's meeting, the commission:

***presented a resolution to Enterprise State Junior College president, Dr. Dean Talmadge in honor of Two-Year College week;

***was told of three Soil and Water Conservation District projects in the county now underway;

***was told of various repairs being made to heavy machinery;

***was told all electric fences located within 10 feet of payment must be moved;

***discussed possible legal action against the power company for problems caused when utility crews leave cut limits in gulches;

***stated a \$1,000 grant would be presented to officials at the Rhodes Community Center on April 13;

***discussed plans to install a dome and clock atop the Enterprise courthouse with possible help from state trade schools;

***was told the county jail has

passed Health Dept., Fire Marshall and Corrections Board inspections;

***took a strong stand on the continued illegal dumping of garbage and instructed Judge Brunson to have the county attorney, county health department and state

health department officials present at the next meeting;

***and, agreed to charge non-profit, civic organizations only the cost of utilities and a deposit to use the Farm Center arena.

Elba Women Arrested In Covington County

Three Elba women were arrested last week on theft of property charges following shoplifting investigations in Andalusia and Opp.

Andalusia Police Department investigator Gary Hutcheson stated that Brenda Daniels, 20; Glennie Daniels, 22; and Velvet Coleman, 22, were arrested Tuesday, April 2, at 3:16 p.m. on second and third degree theft of property charges.

The women were arrested after Andalusia police were alerted that someone had stolen three stereo tapes from the TG&Y store.

The women reportedly were taken to the Andalusia Police Department for questioning and during the questioning investigators searched the 1982 Lysix in which the suspects had been riding. Police found merchandise valued at \$300 believed stolen from Howard's, TG&Y and Smart and Thrifty in Andalusia, and the TG&Y in Opp.

Opp police charged Brenda Daniels and Glennie Daniels with theft of property second degree, while Velvet Coleman was charged

with theft of property third degree. Andalusia police were alerted that someone had stolen three stereo tapes from the TG&Y store.

The Elba City Council met Monday evening with a light agenda. All members were present.

Council members approved some paperwork concerning the recently approved general fund bond issue; heard Chief John White report that the recently purchased police car had arrived and was in service; adopted the new personnel handbook; paid the bills and heard Mayor Bob English report on the status of the railroad negotiations.

English reported attending a meeting with the railroad in Jacksonville, Florida, last week and

the very lowest price they will accept for the 16 miles of track and the land is \$250,000. The city has 30 days to accept the offer or the contracts will be let for removal of the track. The original price was over \$400,000.

English said the council members need to get input from local citizens as some decision must be made. He said it would probably take a large grant from some government agency or an additional tax on the local citizens for Elba to purchase and operate the short line, but if it wasn't done, Elba would be without rail service forever.

Kleinert's Inc. officials announced last week that they will join Wal-Mart Stores, Inc., in the fight against the increasing threat of imports and announced the slogan "Crafted with Pride by Kleinert's in the USA" to show the company's dedication to supplying all buyers with quality goods at competitive prices.

In an article that appeared in the April, 1985, edition of the "Spotlight," Kleinert's monthly newspaper, officials stated they were "very much aware" that imports, principally from the Far East

countries with their cheap cost of labor and benefits, were taking more and more jobs out of the United States. The imports, which grew a reported \$70 billion in one year, has resulted in many plant closings in Alabama and surrounding southern states, according to the article.

Kleinert's officials stated they were glad Wal-Mart was challenging American manufacturers to meet the challenge and pledged Kleinert's would take courses of action to improve its competitive position.

Kitty Reickenback, special assistant and assistant to the mayor, will be in the Coffee County courthouse in Elba, April 17, from 10:00 a.m. to 11:30 a.m., in the Probate Conference Room on the first floor.

This is a public service provided by Senator Denton to assist the people of Coffee county who are

With Ferrin Cox

It did storm something fierce Friday evening but the weather cleared up Saturday and we had one of the prettiest Easters we could have had. The weather was a little on the cool side, but that is what we have come to expect. In fact this country boy is convinced that there will always be a snap of cool weather around Easter and then we can get on with Spring.

In Connecticut the Department of Environmental Protection has issued some new regulations that forbid killing of timber rattlesnakes. In fact there is a \$200 fine and 60 days in jail if you do so. Well folks, let me tell you something -- if I am up there and walk up on one of those rascals, you might as well get the handcuffs, 'cause there would be one dead snake! All this stuff about protecting and preventing everything from being eliminated from the earth should stop when it is a rattlesnake that could (and would) kill me.

If you have been down around Pensacola, Florida, you have probably noticed the mass of airplanes and helicopters in the air. In fact the Navy has commissioned a \$350,000 study to find out what I wrote in the first sentence. Seriously, the study is to help figure out ways to eliminate the problem that has resulted in two mid-air collisions in recent years, and 52 reported near-misses. The Memphis Naval Air Station has asked that some of the pilot training be transferred back to their Tennessee base, but Florida officials and Naval authorities at Pensacola have frowned at that idea.

Walter Mondale has noted he made some mistakes in the 1984 presidential campaign. That is the race in which he lost every state except his home state of Minnesota... and Washington, D.C. We agree that Mondale made all the mistakes he acknowledges, but we could list a few more. In fact we wonder aloud at the reasoning for some of the errors when they were so obvious to us.

Forty thousand people were killed last year on America's highways, and U.S. Department of Transportation statistics indicate 9,200 of those could have been saved with seat belts. In addition, 327,000 injuries would have been eliminated with the safety belts. We read last week of a teenager who died because he was thrown from his truck and the truck ran over him. Buckle up!

Amy Carter, daughter of former President Jimmy Carter, was arrested during a protest march this week. We think it was over the South Africa issue and reportedly she had gotten permission from her parents before getting in the prohibited picketing. Sweet little Amy has grown up.

Henry Lee Lucas is in a Texas jail and is telling stories of killing after killing. Up to 500 men, women and children are estimated to have been killed by this admitted killer, alone or with a partner. Law officers describe him as a sexually deranged sociopath. This is scary, but what is worse is that there are others out there with the same problem.

We are all excited at the news of a 50-foot stretch limousine available from Ultra Co. of LaPalma, California. It has a 12-foot swimming pool in the back (open air), fish tank, four telephones, microwave oven, refrigerator and a sink. If that doesn't suit your fancy, we have word of a computerized, very sporty model car that will be available in two or three years... priced about \$150,000 each.

Monday, April 15, is the deadline for filing income tax returns for the millions of us "common folks". It is interesting to note that 90 percent of all taxable income in the country flows through with income of \$35,000 or less. This means to raise a significant amount of additional taxes the government must go where the money is... the low and middle income taxpayers.

Letters To The Editor

Dear Sir:

Much attention is being given to the subject of child abuse. We can hardly pick up a newspaper or turn on the TV without reading or hearing a horror story, and people do need to know the facts about what is happening to children in our state. We had over 28,000 cases of child abuse reported in Alabama last year, and we know that for every reported case, that 3-4 go unreported. The National Center of Child Abuse and Neglect estimates that yearly more than 1 million children are abused, and of these 100,000 are sexually abused. They estimate that approximately 1 out of 4 females and 1 out of 10 males will be sexually abused before the age of 18.

Our citizens need to know they can help to prevent this epidemic from increasing. Alabama is fortunate in that we have a Children's Trust Fund to fund child abuse prevention programs throughout our state. By contributing only \$2.00 or \$4.00 through a volunteer check-off on the state income tax form (line 33-D), Alabamians can help to make a difference in the lives of thousands of children.

We, as Alabamians need to share our concern by getting involved in volunteer programs and giving of our time and a small amount of our money to the Children's Trust Fund. We need to work together to help make a better and happier life for children in Alabama!

Sincerely Yours,

Joan L. Kogelchitz, Ph.D.

CANCER CRUSADE VOLUNTEERS MEET... Local committee heads meet this week to discuss next week's cancer fund-raising drive. Pictured (L-R) are Dud English, June English, Kenneth Grantham and Suzanne Stokes.

Cancer Crusade Drive To be Held April 15 - 19

The American Cancer Society is in the midst of its annual fund raising drive and local Cancer Crusade chairman Kenneth

Grantham has announced the week of April 15-19 will be the week local residents will be asked to give!

"I dare say everyone in Elba has been affected by cancer in some way," said Grantham, "and through our contributions we can help make a difference. Please help us protect our future by contributing as much as possible."

Mr. Dud English, chairman of the business drive, stated a volunteer would call on all businesses beginning on Tuesday, April 16, and he urged all merchants to "pave the way" to a successful drive by making a contribution.

The door-to-door drive in residential areas will begin on Thursday, April 18, and chairperson Mrs. June English stated volunteers will call on everyone in an effort to raise the money needed to fight this deadly disease.

When a volunteer calls on you... please give!

Concerns Of Secretary Of State Don Siegelman

By Cassandra Williams

Voter registration and election reforms in Alabama are the key concerns of Secretary of State Don Siegelman.

The present voter registration system maintains people who've moved or died. This legislation would inspire greater confidence in the outcome of elections and save a great deal of money," Siegelman said.

The League of Women Voters is working for a clean voter registration list act by which the board of registrar can purge the existing list, Siegelman said.

The League of Women Voters estimates the state would save \$100,000 by cutting down on registration personnel, Siegelman said.

Siegelman also advocates a fair campaign practices act to replace the corrupt practices act of 1915, which he said fosters corruption.

"We are now trying to close loopholes in campaign contribution disclosure, make money clearly designated and report money publicly," Siegelman said. "Under the 1915 law candidates are required to report 15 days after the general election to collect for campaign debts. This way campaign money could be used for personal reasons."

Another problem facing Alabama which Siegelman strongly opposes is hazardous waste. He thinks Alabama is less likely to continue attracting business and industry because of hazardous waste business in the state.

"We are taking a terrible risk. Hazardous waste facilities are only benefitting a few well placed politicians. We are endangering the health and safety of our people and existing industry, such as seafood, shipping and resort areas," Siegelman said.

Siegelman is also concerned with drinking age legislation. He believes it makes sense to provide for a gradual change such as a grand-father clause.

"The problem is one more of education than age. There is a tremendous abnormality in the number of accidents caused by teenage drunk drivers," he said.

Eufaula Offers Tour Of The Past

Spring has arrived in Eufaula, Alabama, and the Eufaula Pilgrimage is not far behind. The Pilgrimage will be held April 12-14, a three-day excursion back into the past.

Six homes, two houses museums and two churches will be open for the daytime tours from 9:00 until 5:00 on Friday and Saturday and 1:00 to 5:00 on Sunday. Candlelight tours on Friday and Saturday evenings will present three different houses and two churches.

A new home is being added to the tour this year-the home of Mr. and Mrs. Judd McKee on scenic North Randolph Avenue. Built in 1870, the one-story house is filled with antiques and outstanding examples of Oriental furniture. A spacious family room has been added to the rear of the structure. The house will be open in the daytime.

The Pilgrimage Antiques Show and Sale, a perennial favorite, will again be held in conjunction with the Pilgrimage. Hours are 10:00 a.m. to 6:00 p.m. on Friday and Saturday, and 10:00 a.m. to 5:00 p.m. on Sunday. Sixteen dealers will display their wares at the old National Guard Armory on West Washington Street. Admission is \$2.00.

Tickets for the tour may be obtained at the ticket headquarters in the fellowship hall of First Presbyterian Church. A ticket for the complete tour of homes plus the Antiques Show is \$15.00. A five-home ticket is \$8.00 and tickets to single houses may be purchased at the door at \$2.00. Candlelight tour tickets are \$5.00.

A myriad of exciting special events is being planned to add to the festivities. George Reese of Enterprise, Alabama, will display Civil War artifacts at Fendall Hall. Also at Fendall, Eufaula Little Theatre will present several "glimpses" into the history of the

Dorothy Rainer Sellers Wins Achievement Award

Dorothy Rainer Sellers, who graduated from Huntington in 1948 "with distinction", will be awarded the 1985 Alumni Achievement Award at the fourth annual alumni awards banquet on Friday, April 12.

The banquet, held each year in conjunction with homecoming, will begin at 6:30 in the Russell dining hall.

Mrs. Sellers is owner of Sellers School of Dance in Opp, which is in its 32nd consecutive season. She studied dance in New York City and speech at Columbia University prior to attending Huntington. After graduation from Huntington she attended graduate school at the University of Alabama where she was a member of the honorary history fraternity, Phi Alpha Theta.

She is a 1944 graduate of Opp High School where she was class valedictorian, president of the Beta Club and participated in other school organizations. She taught history and English at Florida High School for two years.

The School of Dance received national recognition in 1967 when the celebration of Matthew Brunson birthday, and this year falls on the birthday of Opp Brunson, father of the late director Marion Brunson.

The reunion is held as heritage and means of fellowship for members of the Brunson family; however, a much anticipated part of the reunion is the noon meal, which consists of individual dinner baskets and traditional barbecue with all the trimmings.

In case of heavy rain the reunion will be held at the Elba Elementary School lunchroom.

Pam Parrish Receives Honor

Pamela G. Parrish, a resident of Montgomery and formerly of Elba, has been named in the 1984 edition of *Outstanding Young Women of America*. The program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, their professions and their communities.

Pam is the daughter of Mr. and Mrs. Alvie Gailmore of Elba and is the wife of Ronnie Parrish.

Miss Beverly Kelley To Wed Mr. Charles Garrett

Mr. and Mrs. Winston Kelley of Elba announce the engagement and forthcoming marriage of their daughter Beverly to Charles Garrett, son of Mr. and Mrs. Peter Garrett of Huntsville.

The bride-elect is the granddaughter of Mrs. Lawton Kelley of Elba and the late Mr. Kelley, and the late Mr. and Mrs. Harlan Dewberry. She is a 1977 graduate of Elba High School and received a bachelor's degree in psychology from the University of Alabama. She is presently seeking a master's degree in community counseling, specializing in Menabilitation and marriage therapy and is employed as a counselor in the university's office of financial aid and scholarships.

The future groom is employed by United Methodist Children's Home in Tuscaloosa. He received a bachelor's degree in psychology from the University of Alabama.

The wedding will be an event of Sunday, May 26, at four o'clock in the afternoon at Gorgas House on campus of the University of Alabama. No invitations are being sent. All friends and relatives are invited.

132nd Annual Brunson Reunion Planned

The 132nd annual Brunson reunion will be held Sunday, April 21, at the family picnic area at the Marion Brunson farm in Elba.

The Brunson reunion, one of the oldest and largest family reunions in the nation, has been held in Coffee County since 1853 when Matthew Brunson and his wife Sarah Brunson moved their family and settled several miles northeast of Elba near the Pea River at a location later known as Brunson, Alabama.

The reunion was originally a celebration of Matthew Brunson birthday, and this year falls on the birthday of Opp Brunson, father of the late director Marion Brunson.

The reunion is held as heritage and means of fellowship for members of the Brunson family; however, a much anticipated part of the reunion is the noon meal, which consists of individual dinner baskets and traditional barbecue with all the trimmings.

In case of heavy rain the reunion will be held at the Elba Elementary School lunchroom.

TAYLOR HILL BAPTIST CHURCH

THE MEANING OF THE RISEN LIFE

In the new risen life there will be power. This power will be a new inward power. Romans 8:11 says "But if the Spirit of Him who raised up Jesus from the dead dwell in you, He that raised up Christ from the dead shall also quicken your mortal bodies by His Spirit that dwelleth in you."

Just as Jesus rose from the grave, those that have followed Him in this life will also be able to follow Him into eternal life with the Father.

The new life that comes to the one that is born again begins at the moment of salvation. The Christian life is a daily walk with Jesus, not just a go-to-church-on-Sunday religion. I have heard people say they could be just as good a Christian and not go to church on Sunday, as the person who goes to church on a regular basis. That may be - I won't say that can't; all I can say about that is - I can't, the reason being, if I am to follow the Lord then I must follow Him to His church that He gave His life for. You see I believe the church is important - Jesus died for it; therefore, I don't go to church because I have to, I go to church because I love the Lord, and there is one other reason I go to church - I love to go to church - it is just that simple.

This tells me that the Lord has placed His love in me; on my own I might not go to the house of God, but the thing that makes the difference is the inward power given to me to do the will of God. I believe God gives each and everyone that is saved this same kind of power. In St. John 1:12, John says, "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His Name." How about it? Do you love to go to the house of God? Do you love the Lord enough to follow Him even into church on a regular basis?

Remember - a religion that is not strong enough to get into church may not be strong enough to get you into Heaven.

If you feel you do not have this kind of power, why not go to Jesus now and ask Him to fill you with this kind of inward power?

Darren Stevens Receives Scholarship To LU

Darren Keith Stevens, a senior at Elba High School, has been chosen to receive a Trustee's Award from Livingston University according to Ervin L. Wood, vice-president for student services.

The Trustee's Award, part of the scholarship program at Livingston University, was awarded to Stevens for his outstanding academic performance in high school and above average college entrance examination grades. The award is a four-year scholarship to Livingston University.

Stevens is the son of Mrs. Joan Stevens of Elba, Alabama. He plans to attend Livingston University in the fall of 1985.

1985-86 Miss Tiger Football Pageants To Be Held

The Elba Athletic Club exists to support all forms of athletics in the Elba City Schools system. The club invites their daughter to participate in the second annual Miss Tiger Football pageants, scheduled for Friday and Saturday nights, April 19 and 20, at the Elba High School auditorium. The pageant will include four age divisions: elementary Tiger football princess - age four (who will enter pre-school next fall) through second grade; middle school Tiger football princess - third through fifth grades; junior high Tiger football queen - sixth through eighth grade; and senior high Tiger football queen - ninth through eleventh grade. Participants in pre-school through eighth grade are asked to wear a Sunday or party dress, and girls in ninth - eleventh are asked to wear evening gowns. Elementary and middle school participants will practice on Monday, April 15, and Wednesday, April 17, with the younger group beginning

Two Elba Students Awarded Welding Scholarships

Two Elba High School students have been given scholarships to Alabama Aviation and Technical College. Pictured are Steve Sasser and Todd Sanders showing welding outfits they won in a contest on March 28 at Alabama Aviation and Technical College. Steve and Todd

competed with students from Dothan and Enterprise and won first place in Arc Welding (Steve) and first place in Mig and Tig (Todd). Both were awarded full paid scholarships to college plus complete welding outfits for their efforts.

ANNUAL STAFF HAS VISITORS

Cheryl Murchison visited Zion Chapel's journalism class Friday, March 29. Cheryl brought an artist from Herff Jones with her.

The purpose of this visit was to help the annual staff members choose a design for the 1986 yearbook cover. Gary, the artist, asked the members to form a semicircle around him so that everyone could hear. He then asked them questions about Zion Chapel -- what made Zion Chapel unique, what going to school at Zion Chapel was like, and what people at Zion Chapel were like.

After discussing the school, Gary asked the members if they had a design and them in mind. The members chose a theme and then Gary drew the design that the members had described. After much debate, the members finally chose a design.

4-H FRATERNITY MEETS

The meeting of the 4-H Fraternity Key Club was held April 1, 1985 at the County Extension Office in New Brockton, Alabama.

They discussed some of the upcoming contests including the Coffee County 4-H Chickening Que, Woodworking Demonstration, Tractor and Automotive Driving, and Public Speaking. Their 4-H County Agent, Mrs. Angela Hughes, introduced their new County 4-H Agent Wheeler Foshee. Mr. Foshee, who is originally from Covington County introduced himself to the club and noted the major things in his life are Christ, his family, and his job. He then passed out questionnaires for the club members so he can get to know everyone's name and their inner feelings.

The Fraternity also judged posters from the local Poster Art Contest. The meeting was adjourned.

HIGH SCHOOL DAY AT TROY STATE

Troy State University held an open house last Saturday for juniors and seniors across Alabama.

Rhonda Senn, a student from Zion Chapel, attended the open house at TSU. She was given a tour of the campus and talked to the representatives of different organizations and teachers for any class that she would want to take. Rhonda will be attending Troy State on a George C. Wallace Leadership Scholarship which will cover her tuition.

4-H SPEAKING CONTEST

Kim Liptrout, Barbara Liptrout, Rhonda Hussey, Kathy Reeves, Latofia Siler, Derrick Siler, Melissa Arnold, and Pamela Evans plan to enter the 4-H Speaking Contest at the Farm Center in New Brockton on April 15.

The subjects of the contest will be classified as Agriculture and Home Economics and all of their related subjects.

The contest is for all grades, elementary through high school. Anyone else who would like to enter is welcome to do so. This speaking contest is to allow students the opportunity to speak in public so that they improve their speaking skills and broaden their knowledge of certain subjects.

CLUB COMPLETES FUND RAISING PROJECT FOR CONVENTION

Zion Chapel and New Brockton Spanish Clubs recently held a second car wash to raise money for a Spanish Club convention to be held in Tuscaloosa at the University of Alabama on April 12-13. The car wash was held in Enterprise. Students began washing at 10 a.m. and stopped at 5:30 p.m. In that time over \$200. to be used for hotel fees, was made for the convention. This was the last fund raiser of the year for both clubs. Students who washed cars from Zion Chapel were Janet Stewart, Bryan McLeod, Bryan Ammon, Brenda Mobley, Fran Chirico, Diane Parker, Dana Wambles, Vanessa Hudson, Donna Griswold and Karen Williams. Mrs. Evangelina Geiger is the Spanish Clubs sponsor.

Dinner Theater Scheduled At Zion Chapel

By: Rhonda Senn

Practice! Practice! Practice! Those are the words being drummed into the cast members' heads by the three directors of the Jr./Sr. play. Mrs. Rachel Bryan, Mrs. Mary Herbert, and Ken English are the sponsors and directors of the three act play.

After two days of auditions the final chosen cast members are Rhonda Senn, David McCarroll, Kim Liptrout, Barbara Liptrout, Lynor Duncan, Greg Flowers, Crystie Mauldin, Jimmy Daley, Tammy Ellis, Tabatha Morris, Barbara Holland, Kelly Sheffield, and Jimbo Bryan. These members have started practicing two and three days a week. The first deadline is April 15. All of the lines in the first act are to be known that day. All lines should be learned by April 29. May 7 is the date for lines in Act III.

The cast members of the play have very strict rules to follow. These rules are needed to help the members be prompt and dependable. The members are also being taught some of the fundamentals of acting.

When asked by the Rebel News, the directors stated the following opinions.

Mrs. Bryan said, "I'm really pleased that Mr. English has all of us involved in doing a dinner theater. I feel that it is our duty to offer a wide spectrum of experiences for our students. This one activity will offer many. Maybe after attending this dinner theater, our students will appreciate and participate in a wider variety of social experiences."

Mrs. Herbert replied, "Because of the lack of proper facilities (an auditorium and a stage) the play is, at this point, frustrating. However, when we get the stage and backdrop

Spanish Classes

Have Brazilian

Visitor

By: Kim Brunson and Janet Stewart

Sergio Sales from Rio de Janeiro recently spoke to Sra. Evangelina Geiger's Spanish classes about life in Brazil. Sergio, who is in the Air Force, was stationed at Fort Rucker for a short time before returning to his home in Brazil.

Portuguese, Sergio's native language, is very similar to Spanish. Sergio speaks Portuguese, Spanish, English, and French. He had some difficulty speaking to and understanding the students in English because his principal language is Portuguese.

The Spanish students discovered, by listening to Sergio that life in Brazil is quite similar to life in the United States. They learned that the teenagers, education, and music are much like those in America.

However, the climate in Brazil, Sergio explained, is different. It is fairly warm all year round. January and February are Brazil's summer months. Brazilian students attend school from the first of March until the middle of December. Sergio also told the students about the Amazon jungle, which is located in the western section of Brazil.

BREAKFAST
Monday-scrambled eggs, grits, toast, milk, juice
Tuesday-pancakes, syrup, sausage, milk, juice
Wednesday-cereal, milk, juice
Thursday-egg salad, toast, bacon, milk, juice
Friday-hot pastry, milk, juice

LUNCH
Monday-meatloaf, cream potatoes, butter beans, hot roll, ice cream, milk
Tuesday-fish sandwich, mixed vegetables, macaroni and cheese, peach pie, milk
Wednesday-spaghetti & ground beef, green salad, garlic bread, pear, rice treats, milk
Thursday-fried chicken, corn casserole, hot roll, cut beans, jello, milk
Friday-hamburger, potato sticks, baked beans, milk, moon pie

built it should prove less frustrating. When I was a senior in high school I was in the play and I had a good time. Besides the acting, there were feelings among the cast and crew members that were deepened."

Mr. English has the following opinion: "I am excited about the

play because it will give a lot of our students a chance to express themselves and be involved in a situation which required cooperation and team effort. In addition, many of our colleges in the area offer scholarships to drama students. It will give some students without athletic

ability a chance to get financial assistance in going to college. I cannot make any predictions about making it an annual event. I sincerely hope that it will become an event like the prom, that will be looked forward to with enthusiasm by all our students."

Red And White Game Set For Tonight (April 11)

By: Chris Carley

The Zion Chapel Rebels will play their Red and White game tonight, April 11. The Rebels 56-member team will be split into two teams consisting of some veterans and some enthusiastic newcomers.

Some of the faces to look for in tonight's game will be Bobby Hill

and Chris Hodge at tailback, Chris Carley, Darren Grant and Brian McLeod at fullback, and Shawn Collins and Roland Bell at quarterback. Some of the linemen are Jason Hodge, Randall Barr, Kenny Ray Evans, Wade Flowers, Bobby Flowers, David Johnson, Bryan Ammon, and Scotty Chancellor.

The Zion Chapel Quarterback

Club will be raffling off a \$100 bill at half time and the Zion Chapel Rebel Band will be putting on a halftime show.

Everyone is invited to come out and support the Rebels. There will be a junior varsity intrasquad game starting at 6:30 and the varsity game will start at 7:15 p.m.

Honor Society Hears Lewis Grizzard

By: Shella Simmons

The Zion Chapel Senior High Honor Society recently traveled to Enterprise State Junior College to hear Lewis Grizzard speak. Accompanying the Honor Society Club members were Mrs. Gail Jackson and Dr. Willard Crabtree.

Mr. Grizzard, who was in Enterprise to promote his book *Elvis Is Dead and I Don't Feel So Good Myself*, told the members and ESJC students exactly why he wrote the book. He said that the book tells how he would like to drown Boy George.

The Honor Society members were treated to a steak lunch at Western Sizzlin' before they were brought back to school. The members who went to ESJC were Janet Stewart, Rhonda Senn, Shella Simmons, Brian McLeod, Dee Dee Gatlin, Diane Parker, and Sharon Pope.

The Elba Tiger baseball team opened its season last week with two losses and once again the Tigers face an uphill battle to post a winning record. Elba played well in the opening loss to Andalusia, and except for a couple of fluke errors could have won, while in the loss to Luverne the Tigers got runners on base, but couldn't come up with the key hit. Despite the losses, Elba looked much improved from a year ago (especially pitching) and has a solid team capable of winning a lot of games.

The next home game will be on Monday, April 15, at 5:00 when the Tigers host Brundidge in an important Area 3 battle. Admission is free, so c'mon out and at least watch a couple of innings. Your support could make the difference!

The sunny weather over the weekend appealed to more than just fishermen, it also made all the ball players want to pull out their gloves and throw a ball around. Yep, ball season is just around the corner.

The Dixie Youth Baseball League has divided up its teams and it looks like the best season ever with almost 100 boys on the six teams. The league has experienced, caring coaches and all the players have at least a couple of years of experience. This league should be fun to watch.

The Babe Ruth Baseball League still needs a coach, but the player draft is just around the corner and that means the season can't be far behind. This league is solid, and should also enjoy a banner year.

The minor league (ages 6-9) is expected to increase to eight teams and this league is still growing. The league teaches youngsters to play and it is really fun to watch 'em.

Turning to softball, the city will once again have a men's, ladies, church and girls league, which means there will be plenty of ball to play, and watch. Look for at least 18 baseball teams and 20 softball teams to play ball this summer, which means it'll be another busy summer for all involved.

I've read a lot about the Tulane basketball scandal in the past week and disagree that "point shaving" is a common practice, at any level of competition. At Tulane, I feel a couple of players saw a chance to make some money and thought they'd never get caught - nothing more. I agree that recruiting violations may be all too common; however, I don't believe sports has sunk to the levels hinted at Tulane.

Lindsey Weekend Set For April 20-21

Four new celebrities have been added to the growing list of participants in the 1985 George Lindsey Celebrity Benefit Weekend. The dates are April 20 and 21 in Montgomery. In addition to led Allan of "Days of Our Lives," Andrew Masset from the same daytime drama will attend. Masset has been on "Days" for the past year-and-a-half, portraying the District Attorney, Larry Welch. Masset has been a frequent co-star on nighttime television shows, such as "Hotel," "MASH" to name a few. Also new to Montgomery this year is Christopher Holder, "Another World's" Peter Love. Andrew was formerly on the "Young and Restless" as Kevin. Sports celebrities who are newcomers this year include Joe Torre, former manager of the

Atlanta Braves, and a record-holding retired major leaguer, and Ken Stabler. Stabler, of course, is a former quarterback at the University of Alabama, the Houston Oilers and the New Orleans Saints. Stabler, Holder, Masset and Torre will be among the 35 celebrities in attendance at the Great Stars Show on Saturday, April 20 at the Montgomery Civic Center. Tickets are still available through the Montgomery Civic Center Box Office and by mail order ("Great Stars Show, P.O. Box 4037, Montgomery 36101) and prices are \$12 and \$15. They will be playing golf at Arrowhead Country Club on Sunday, April 21. Tickets may be purchased at the gates Sunday morning and are \$3.00 adults and \$2.00 for children 12 and under.

Elba Tigers Bounce Back To Dump Opp & Samson

The Elba Tigers opened the baseball season last week with narrow losses to Andalusia 7-5 and Luverne 3-2, but bounced back strong this week and defeated Opp 9-7 and Samson 7-3 to even their record at 2-2.

Andalusia 7
Elba 5

Andalusia rallied to score 5 runs in the closing innings en route to a 7-5 win over Elba, last week in Andalusia.

Elba grabbed a quick 1-0 lead in the first inning as Scott Kelley singled, stole second and came around to score on a single by Terrell Hammonds. Andalusia pulled ahead 2-1 in the third inning, only to see the Tigers erupt for 4 runs in the fourth inning to regain the lead at 5-2. John Osburn and Art Brunson singled early in the inning to ignite the rally, while consecutive hits by John Hudson, Terrell Hammonds and Terry Ware with two outs knocked in the go-ahead runs! Andalusia used 4 hits and an Elba error to pull even at 5-5 in the bottom of the fourth, then scored 2 runs on only 1 hit in the sixth inning to pull out the win.

Terrell Hammonds and Terry Ware got 2 hits apiece to lead Elba.

Luverne 3
Elba 2

Luverne pushed across a run in the seventh inning to slip past the Elba Tigers 3-2, last week in Elba.

Luverne combined 3 hits and 3 walks to grab a 2-0 lead in the opening inning, and carried the lead into the third inning as Elba stranded 5 runners on base. The Tigers pulled even at 2-2 in the third inning as John Hudson and Terrell Hammonds singled and came around to score, and then had a chance to pull ahead in the sixth, but left the bases loaded. Luverne used 2 hits and scored in the seventh inning and held on to post the win.

Jack Lee got 2 hits to lead Elba, while Stan Sauls pitched a six-hitter and struck-out 11 batters.

Elba 9
Opp 7

The Elba Tigers led all the way to defeat the Opp Bobcats 9-7, Monday in Opp.

Elba pulled out to a 2-0 lead in the first inning on a two-run homer by Terrell Hammonds and stretched its lead to 3-0 in the second when John Osburn doubled and later came around to score on a fielder's choice. Opp closed to within 3-2 in the bottom of the second, only to see the Tigers pull ahead 5-2 in the fourth inning when Art Brunson

ripped a triple to drive-in Derek Young and Stan Sauls. Opp again pulled within one-run in the bottom of the frame, but Elba scored 3 runs in the fifth to open up an 8-4 advantage! The first run came on Terrell Hammonds' second home-run of the game, while John Osburn knocked-in Terry Ware and Vic McKenzie with a double. Terry Ware singled-in Jack Lee in the sixth to give Elba a 9-5 lead, and the Tigers turned back a late Bobcat rally to claim the exciting win.

John Osburn got 3 hits to lead Elba, while Terrell Hammonds, Terry Ware and Stan Sauls all added 2.

Samson 3

Elba pulled out to an early 7-0 lead and coasted to a 7-3 win over Samson, Tuesday in Elba.

Elba jumped ahead 2-0 in the first inning as Stan Sauls and Terrell Hammonds both singled and later came in to score compliments of Samson errors and a two-out single by Vic McKenzie.

Craig Murdock reached on an error and came around to score on an error as the Tigers' lead went to 3-0 in the second, and the lead went to 5-0 in the third as Terrell Hammonds and Terry Ware got hits and later crossed the plate. Elba's lead went to 7-0 in the fourth-inning as Craig Murdock, Art Brunson, Stan Sauls and Terrell Hammonds all pounded out singles. Samson came to life late and pulled within 7-3, but could get no closer as Elba held on for the victory.

Terrell Hammonds got 4 hits to park Elba, while Stan Sauls and Vic McKenzie added 2 apiece.

Brantley & Dozier Combine To Claim 30-6 Win In Crenshaw County Football

By: Billy Wayne Williamson

It was the North vs. the South in the annual Crenshaw County Football Jamboree on March 29 and the South (Brantley and Dozier) rose again as it tipped the North (Luverne and Highland Home) 30-6.

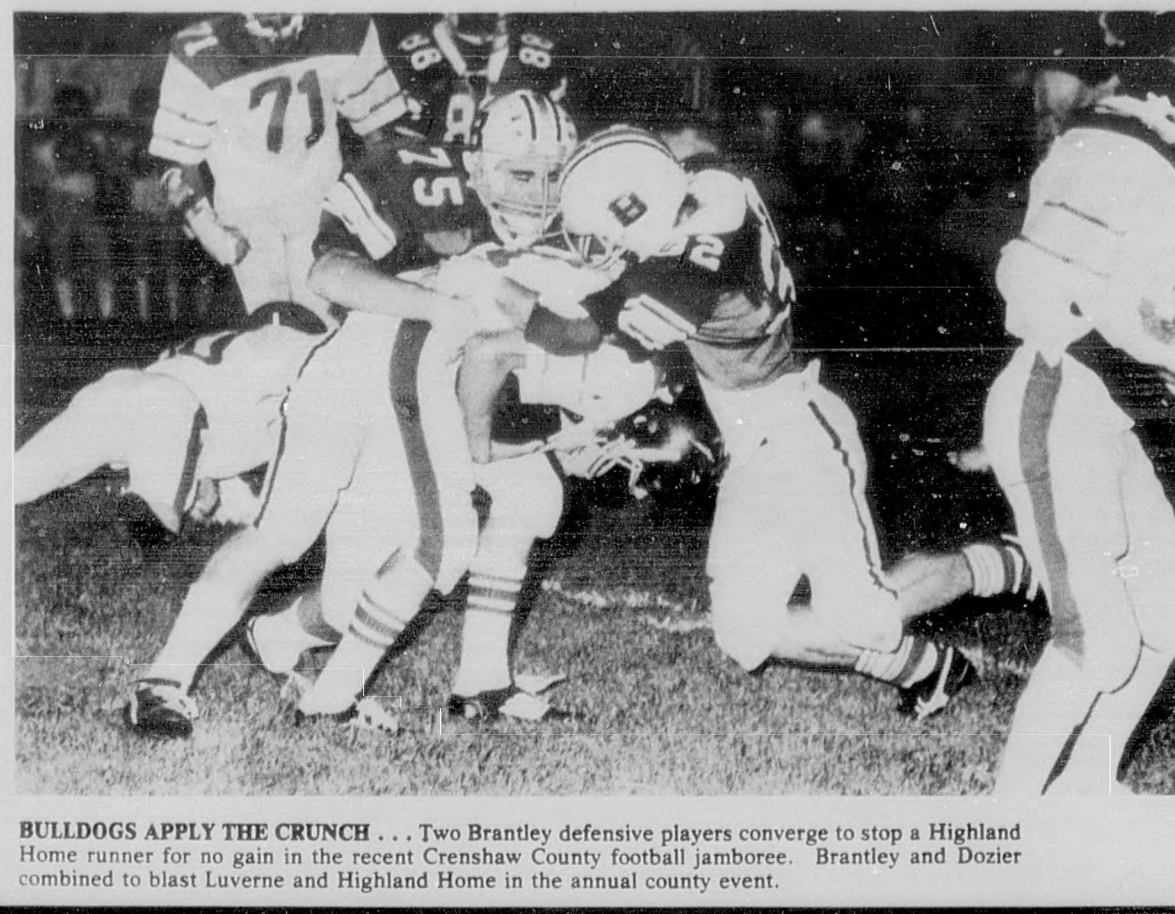

The South got on the board first as Dozier drove 64 yards against Luverne to grab an 8-0 lead with 9:25 left in the opening stanza. The South got the ball right back on a Brantley interception and Dozier again showed its power as it marched 54-yards over the Luverne defense to

up the South's lead to 16-0 with 5:45 left in the first quarter.

A Brantley interception on the final play of the first quarter put the South back in business and this time the Brantley offense got to get in on the fun as it drove 77-yards against the Highland Home defense to up the South's lead to 22-6 with 10:20 left in the half.

Both teams threatened in the third quarter as the South reached the 1-yardline and the North reached the 15; however, neither would score and the South carried a 22-0 lead into the final stanza.

The North got on the board in the fourth quarter as Luverne drove 30-yards against Brantley to cut the South's lead to 22-6 with 10:20 left in the game. The game's final score came with 6:52 left when Dozier marched 65-yards against Highland Home to give the South an impressive 30-6 win.

BULLDOGS APPLY THE CRUNCH . . . Two Brantley defensive players converge to stop a Highland Home runner for no gain in the recent Crenshaw County football jamboree. Brantley and Dozier combined to blast Luverne and Highland Home in the annual county event.

SEABASS Members To Compete In State Tourney

Twelve members of SEABASS are scheduled to compete in the Alabama B.A.S.S. Chapter Federation's \$7000.00 spring tournament of Lake Martin April 12-14, 1985. Members scheduled to represent SEABASS at this event are: Ron Whitworth, Ronnie Jimright, Glen Thompson, Harry Jacobs, Bill Waldon, Jack Farmer, Mike McGuire, Wayne Mancil, Gary Brown, Eddie Kelley, Mark Vaughan and Tony McDaniel.

Eligibility for attendance at the ABCF spring tournament for SEABASS members is determined by their club standing. Individuals must be in the top twelve to be eligible to participate.

The top twelve fishermen at the spring tournament will comprise the team that represents the State of Alabama at the \$7000.00 B.A.S.S. southern divisional tournament on Kentucky Lake, Tennessee, June 9-11, 1985. The top man on the winning state team at the BASS southern divisional tournament advances to the BASSMASTER'S Classic and a chance at \$100,000.00.

WHAT'S A SEABASS? Lately, lots of folks have been asking this very same question. Well, SEABASS is the acronym for the Southeast Alabama Bass Association. SEABASS was chartered in August 1984 by a group of bass fishermen from Elba, Alabama with the stated purpose of improving their skill as bass anglers

through a fellowship of friendly exchange of bass-catching techniques and ideas and to promote and encourage youth fishing and share their love for this great recreation. However, SEABASS is more than just another bass club. The members of SEABASS embrace the spirit of civic action and have striven to become an organization

that contributes to making their community a better place to live. Examples of their commitment can be seen by their fund-raising efforts on behalf of the Elba Rescue Squad and Elba Jaycees and their continued support of the Rescue Squad principles by serving as the water rescue unit to include furnishing certified divers.

Additionally, SEABASS has volunteered to provide assistance to the Leukemia Bike-A-Thon and is currently working with the Elba unit of the Boy Scouts of America on several projects. In summary, SEABASS is a civic-oriented bass fishing organization that wants to help make Elba a better place to live.

Tennis Tourney Set For May 2-5 In Elba

The Elba Tennis Association is sponsoring a city-wide singles tournament May 2-4 and a doubles tournament May 2-4 and 5. Entry fee is \$5.00 and a can of balls. Deadline for entering is April 26. There will be up to 5 divisions depending on the

number of entrants. To register contact any of the following people: Hugh Martin, Carolyn Mooney, Tiffany Harper, Dondi Dunaway, Bobby Applin.

Tennessee - Tombigbee Waterway Is Also A Recreational Facility

Practically all of the attention focused on the development of the new 234-mile-long Tennessee - Tombigbee Waterway in Mississippi and Alabama revolved around its commercial aspects.

But few realize recreation is the second most important benefit of the waterway. The Army Corps of Engineers, which operates the waterway has a staff of recreation and outdoor specialists assigned to the project to develop and manage the camping, boating, fishing and

hunting opportunities it offers. The Tenn-Tom lakes cover 44,000 acres. In addition, the Corps set aside 13,000 acres of land along its shores for recreation. Much of the planned recreation areas are available. Also, dedication ceremonies for the Tenn-Tom scheduled for May 31 and June 1 are expected to attract a large number of visitors.

Articles on the waterway are now showing up in many outdoor magazines and bass tournament committees are looking at the new lakes. One national fishing magazine last year called Tenn-Tom the nation's "best kept secret." That is likely to change.

The Corps built "fish attractors" into many of the lakes and, in conjunction with state agencies, began early on a fish stocking program which is now producing keepable size catches.

Many land areas along the waterway are being managed to attract and sustain waterfowl, deer, turkey and smaller game populations. Measures have been taken to attract non-game wildlife as well.

Additional recreational facilities should also contribute to an increase in visitors to the Tenn-Tom. A 70-site campground has been recently dedicated at Cochrane on Gainesville Lake and will be officially opened sometime in May.

At the dam site on Aliceville Lake, ground has been broken and

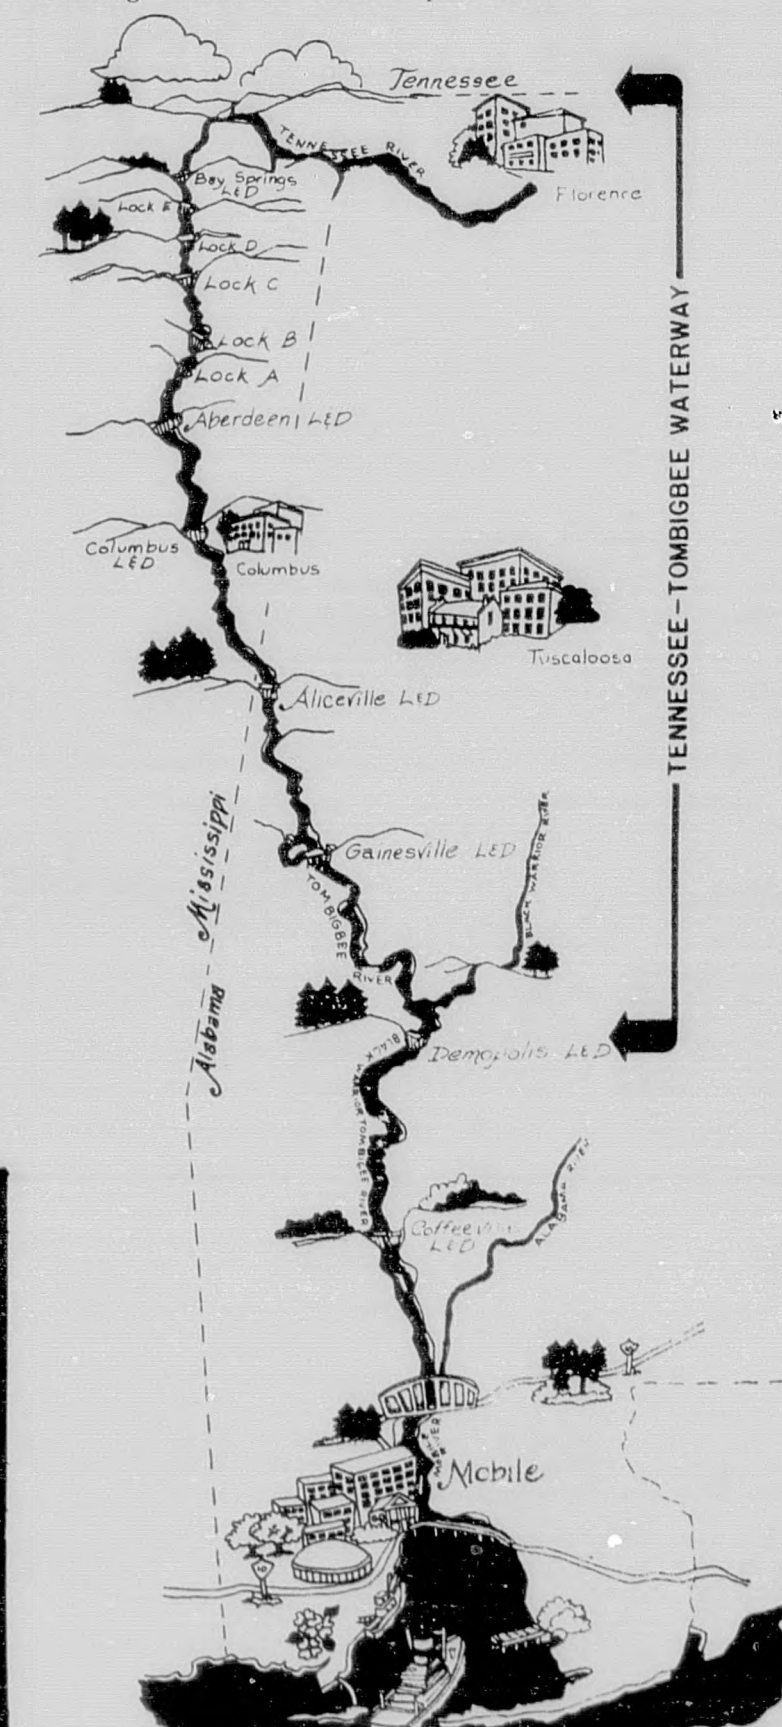

the cornerstone has been laid for a southern Region Visitor Center scheduled to open in mid-1986. Adjacent to the Visitor Center is the shagboat Montgomery, a steam powered paddlewheeler dating back to the early 1900's which was used by the Corps to clear rivers of obstructions before it was retired in 1982. It has been restored and will house exhibits of early river life.

On Columbus Lake, a picnic area with 30 tables, 2 shelters and a launching ramp is being readied at the Waverly Ferry site just north of Columbus, Mississippi.

In addition to a large new marina on Bay Springs Lake at the north end of the waterway, there is another under construction on the Lock C Pool and a marina permit has been applied for on the Lock B Pool. The Corps which issues marina permits on the lakes says numerous inquiries have been received from potential marina owner/operators on the other Tenn-Tom lakes.

The lack of privately owned or operated facilities on many stretches of the waterway should spur private interests to develop campgrounds, gas outlets, grocery stores and bait shops. While the Corps builds and operates boat ramps and recreation areas, it leaves commercial activities to private enterprise.

Unlike the shipping transportation which is supposed to start slowly and increase steadily through the years, recreation is booming now on the Tenn-Tom Waterway.

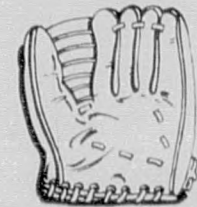

Elba Semi-Pro Baseball Team To Open Season Sunday

The Elba semi-pro baseball team will open its season on Sunday, April 14, at Legion Field, against Luverne. Game time is 3:00 p.m.

Anyone wishing to join the Elba team should contact Bufus Tillis or Robert Earl Williams.

If you have hard work to do,

Do it now.

Today the skies are clear and blue,

Tomorrow clouds may come into view.

Yesterday it is not hard for you,

Do it now.

If you have a song to sing,

Sing it now.

Let the notes of gladness ring

Clear as song of bird in spring.

Let every day some music bring,

Sing it now.

If you have kind words to say,

Say them now!

Tomorrow may not come your way,

Do a kindness while you may.

Loved ones will not always stay.

Say them now.

If you have a smile to show,

Show it now.

Make hearts happy, roses glow,

Let the friends around you know

The love you have before you go.

Show it now.

WHAT DID HE HAVE TO LOSE?

A youth was stopped for a traffic violation. The public safety official recognized the odor in the violator's car and it was found that he had a few "points" with him. He was convicted of marijuana possession, and received a suspended sentence. Maybe you think that is a pretty light sentence and one he could take in stride and that he didn't lose much.

Well, all he lost was his right to vote, to own a gun and the right to run for public office.

He cannot be admitted to West Point, Annapolis or the Air Force Academy. He also lost the chance to ever be a licensed doctor, dentist, certified public accountant, engineer, lawyer, architect, realtor, school teacher, barber, funeral director or stock broker.

He can never get a job where he has to be bonded or licensed. He can't work for the city, county, state or federal government.

That's what he lost.

SAFE FOOD BOOK

Many questions on food safety will be answered in the book. The Safe Food Book. The book covers subjects on how food spoils, how to have a safe kitchen, special care for special foods and much more information. The book is free. Call me at 894-5596 if you would like a free copy.

DIABETES

I was reading health statistics for our county recently and learned that there are over 2,000 diabetics. The diabetics are either diet controlled or on medication or insulin. My information didn't tell how many might be unknown diabetics.

In Alabama, 231,000 people have diabetes. It is the third leading cause of death by disease. Diabetes is the leading cause of new cases of blindness in adults over the age of 45. The disease is increasing at the rate of one new case diagnosed every 60 seconds. Diabetes strikes women and blacks more frequently.

MENU PLANNING

When planning menus, you'll want to consider your busy schedule. By making menu plans as flexible as possible, you'll find it easier to meet each family member's needs without becoming a "short order" cook. On a week night when schedules are particularly hectic, plan a simple meal which can be prepared in advance and eaten on the run, if necessary. Hearty soups and many main dish salads fit the bill nicely. When latecomers arrive home, they can help themselves to an appealing and nutritious supper and not resort to a budget-breaking fast food meal.

CAKE RECIPE

A friend, Geraldine Moore, brought the office staff a Sun-Drop Cake recently. She had made the cake many times and had received so many compliments. It is delicious. Geraldine got her recipe from a friend, Lois Walden in Dozier, Alabama. If you like a copy, call our office.

FARM ORGANIZATION

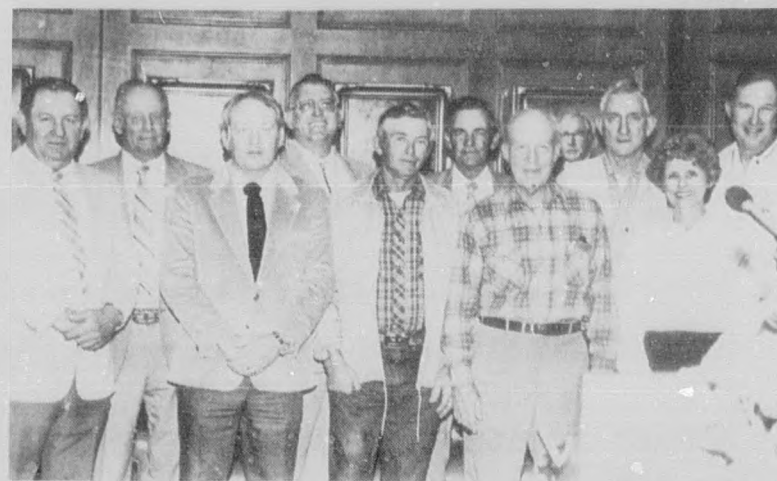

I salute the Coffee County Farm Bureau for the work they did this past week on behalf of the 1985 farm bill. A group of Coffee County farmers met with the Alabama Peanut Producers Association, made the trip to Washington and testified in group meetings. The work they did this week, if successful, could mean millions of dollars to Coffee County peanut producers in the immediate years ahead.

I appreciate leaders who are willing to take their time to work effectively in behalf of all peanut producers.

Congratulations to the officers and directors of the Farm Bureau for their leadership in promoting the best interests of Coffee County peanut producers.

FARMER COMMENTS

John Henderson, our soybean specialist at Auburn, sent the following comments which he picked up at recent soybean meetings in Alabama.

The problems of agriculture did not develop overnight. However, when latecomers arrive home, they can help themselves to an appealing and nutritious supper and not resort to a budget-breaking fast food meal.

The farmers that survive may not necessarily be the ones that are the best managers. They will be those that kept from getting more deeply into debt.

The successful farmer in 1985 will be the one that manages to lose the least on his operation.

Agriculture and soybeans have a bright future. We just need to ride out the present storm.

SAFETY

Several hundred tractors are

operating every day in Coffee County turning and disking land and planting and other activities. Fortunately, we have not had any serious accidents so far this season. Most of the severe accidents occur early in the season.

To help you have a safer season, remember these safety rules: 1) Don't allow extra riders. 2) Don't remove safety shields. 3) Don't leave the tractor on the road, be sure to use all of your flashing lights and headlights and make sure the SMV emblem is clean and visible.

To keep young children from getting killed, set the parking brakes on your tractor, shift the gear to park or neutral and remove the key.

JUDGING TEAMS

Coffee County's 4-H Livestock and Meat Judging Teams are becoming fully operational. Assistant County Agent Wheeler Foshee met in an organizational meeting Thursday afternoon. They planned a special after-school meetings to practice judging. Bob Whittenburg, our livestock specialist at Auburn, will meet with Foshee this Thursday to complete training plans.

Four-Hers involved in this activity are Jamie Brockton, Brent Griffin, Junior Taylor, Derrick Deal, Brett Bryan, Scott Kidd, Pat Haskabala, Kristie Dailey, Chris Flowers, and Derek Snellgrove.

Several hundred tractors are

operating every day in Coffee County turning and disking land and planting and other activities. Fortunately, we have not had any serious accidents so far this season. Most of the severe accidents occur early in the season.

To help you have a safer season, remember these safety rules: 1) Don't allow extra riders. 2) Don't remove safety shields. 3) Don't leave the tractor on the road, be sure to use all of your flashing lights and headlights and make sure the SMV emblem is clean and visible.

To keep young children from getting killed, set the parking brakes on your tractor, shift the gear to park or neutral and remove the key.

JUDGING TEAMS

Coffee County's 4-H Livestock and Meat Judging Teams are becoming fully operational. Assistant County Agent Wheeler Foshee met in an organizational meeting Thursday afternoon. They planned a special after-school meetings to practice judging. Bob Whittenburg, our livestock specialist at Auburn, will meet with Foshee this Thursday to complete training plans.

Four-Hers involved in this activity are Jamie Brockton, Brent Griffin, Junior Taylor, Derrick Deal, Brett Bryan, Scott Kidd, Pat Haskabala, Kristie Dailey, Chris Flowers, and Derek Snellgrove.
